- New board members were elected at the Annual Meeting on April 19, 2022.
  - Ken Bien, John Long, Suzan Lowe, Brad Oyster
- The board operated within the approved budget.
  - Two additional items were voted-on, approved, and added to last year's budget.
    - A special pond treatment for Water Meal, which is thought to be brought in on Geese from other bodies of water and is very difficult to eradicate.
    - Five identified HOA common area trees of concern were removed / trimmed.
      - At the Daleview Drive entrance area; on Ponderosa Drive across from the pond; at the pond on the path to the back common area; near the pond entrance; Dead pine tree that had fallen down.
- Association Dues
  - 99% of members paid the yearly dues by July 18. Thank you!!
  - Please remember dues are to be paid by June 1 to be in good standing.
- Inquires to Board All reported violations are closed.
- Pond geese deterrent system implemented in spring of 2020 and planned to continue.
- For the front monuments area, the ground cover planting and mulch refreshing was done.
   This project is now complete. All unused funds returned to general HOA account.
- A sub 2 member contacted the board with a proposed addition. After a thorough evaluation by the building committee & HOA restrictions, the design was approved.
- A member Meet & Greet at Aubree's was well attended.

#### Treasurer's Report (continued)

#### > Financial Review

- A financial review was completed by an outside firm for the fiscal year of April 1, 2021 to March 31, 2022.
- On June 30, 2022, B.W. Smith + Company, CPA, PC reported the financial review results. All identified items were corrected. The year-end checking account balance now agrees with the credit union bank statement; meaning we are operating in compliance.
- The next review will occur for the fiscal year April 1, 2022 to March 31, 2023. This will be scheduled and planned to be performed later this year.
- We will continue the annual financial review practice by an outside firm to ensure continued compliance with the Bylaws.

### **Committee Reports**

#### Pond Committee

- Water quality testing is planned to be performed in May, July & Aug/Sept.
- Water treatment is planned to be performed as needed; typically twice per year. In 2022, an additional treatment was needed for Water Meal, which is thought to be brought in on Geese from other bodies of water and is difficult to eradicate.
- A pair of floating Swan decoys will be placed near both ends of the pond this spring as a geese deterrent system.

# Building Committee

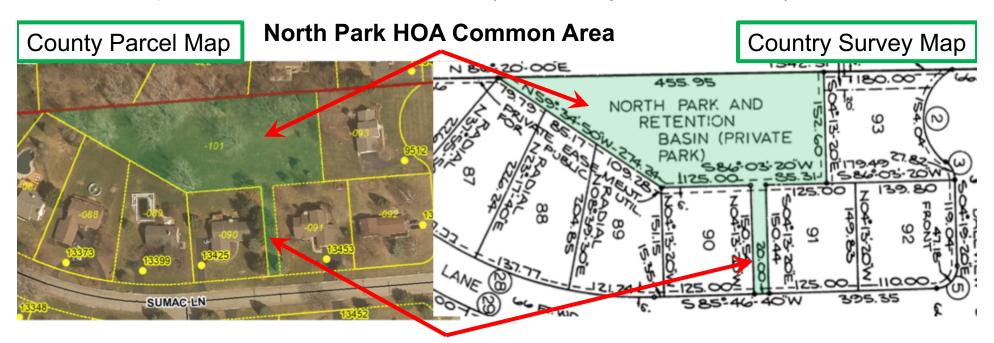

- A Sub 2 member contacted the board with a proposed addition. The member's
  design was thoroughly evaluated with respect to the HOA restrictions. The building
  committee approved the proposed addition in November 2022.
- Please be sure to contact the committee before you start. Thank you.
  - We'll review all proposals for potential conflicts with the restrictions that might result in a violation.
  - After our review is approved, you still MUST review your proposal regarding local township requirements.

# ➤ Building Committee (continued)

#### **North Park HOA Common Area**

- Trees will be professionally evaluated for susceptibility of causing property damage.
- 20 foot wide "Right of Way" area between lots 90 & 91 provides public access to North Park (essentially an easement).

Right of Way for North Park (public access usage)

#### Restrictions

#### **Green Oak Township Ordinances**

As township ordinances are improved and updated, it makes sense to review our HOA documents. By aligning our restrictions document with the ordinances, the township would become responsible for the cost and any litigation that may result from a violation.

### **Board Activity**

Discussions have focused on re-evaluating the previous restrictions proposals, develop new proposals, and how to encourage membership participation in future voting.

### **By-Laws Voting on Restriction Documents**

Due to the way the voting is implemented in the HOA by-laws for the restriction documents, **not returning a ballot is equivalent to a NO vote**.

We encourage all members to participate to ensure that any restriction document voting represents the consensus of the HOA community members.

#### > Front Entrance Committee

#### Summary

#### **Finished**

- All brick monuments were power washed and sealed.
- All sign mounting systems were completely replaced.
- All signs were replaced with modern design.
- The trees / shrubs were trimmed.
- The ground cover mulch was refreshed.
- The old ground cover and plants were removed (as needed) or trimmed.
- New low-lying plants were planted.
- Both primary stand lamps were replaced with LED bulbs.
  - Significantly reduced electrical bills have already been noticed.

### **Project Financials**

Board Approved Budget: \$12,000

Total Project Costs: \$8,889.42

Remaining Budget: \$3,110.58

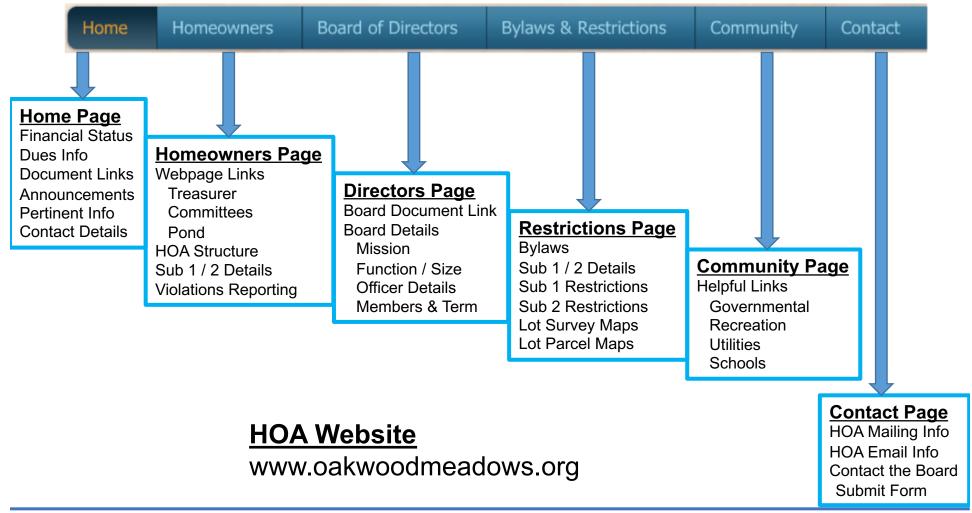

#### This project is completed.

All remaining funds have been returned to the HOA general account.

# Mobile Friendly Website Summary

Easily accessed by smartphone, tablet, or Laptop / Mac browser.

#### > Roads

#### **General Road Information**

- The roads are not owned by and are not the responsibility of the Oakwood Meadows Homeowners Association.
- The board encourages all homeowners to contact the township directly to report street conditions that need repair.

### **Road Resurfacing Project Survey**

 In April of 2022, the board sent a road survey to all members (except those on 10 Mile Road). The survey had one objective:

Do you want the board to start the process of formally investigating the road resurfacing with the appropriate township and/or country officials?

Member Results

YES: 50 votes (52.6% of 95 homes included in this survey)

NO: 20 votes

Did Not Return Survey: 25

The vote failed the 60% minimum.

 Since there is less than 60% membership interest in the board beginning the process with the township, the board will take no action.

# Spring Cleanup

- We will schedule the cleanup and removal of additional fallen trees in the HOA common park areas, as appropriate.
- Mulch in the pond area is planned to be refreshed.

# > Safety Alert

Please be aware of your vehicle speed in the subdivision.
