

Dear fellow neighbors,

The association annual meeting took place on Feb 3rd, 2014 and part of that meeting was to elect the 2014 Oakwood Meadows Board of Directors.

Allow me to introduce your 2014 Board of Directors:

Jim Smalley – President	Laura Leshok – Vice President
Byron Brock – Treasurer	Larry Wildt – Secretary
Andy Holt	Curt Hutchinson
Roy Meadows	Leisa Thompson
Katie Wind	

As the new board, we will be focusing on: the transition phase, updating the By Laws and restrictions, building unity, transparent communication, curtailing legal expenses, and creating a website with timely and comprehensive updates.

The voting for the annual assessment (dues) and the bylaws also occurred at the annual meeting.

- The proposed bylaws did not pass
- The annual assessment did pass and the annual assessment will be \$175

The 2014 assessments of \$175 will be mailed soon and are due by April 30th, 2014.

The content on the Oakwood Meadows web site except for the restrictions and bylaws was deleted. We don't fully understand what transpired but the 2014 Board has made it a top priority to rebuild and utilize the website as a critical tool for communicating among ourselves and for people interested in our subdivision. We will notify you when it is available.
